

Being Mini Humans – Foil Moon

2+

This activity is an easy way to add interesting textures to a moon picture. It is suitable for ages 2 and up, as long as they are safe with the small coins, although wee ones will need help to cut out.

You need:

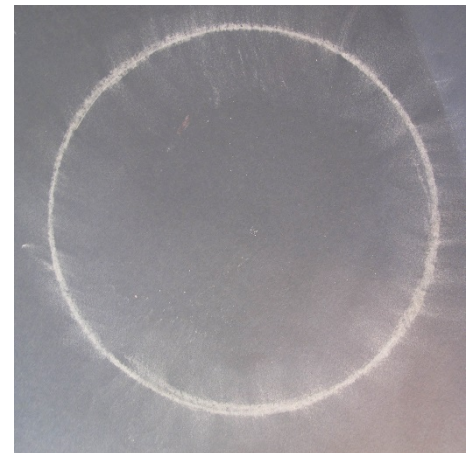

- Tinfoil
- Large sheet of dark paper or card – navy or black
- Glue
- A selection of coins
- Optional chalk

- Draw round a plate onto tinfoil and then cut out

- Put coins under the moon shape and then rub over the top to create craters

- Draw round the moon onto dark paper in white chalk and then smudge it

- Now stick on the moon shape
